

io-consultants provides integrated consulting, design and planning services for production, logistics and supply chain management, as well as for architecture and IT projects. Since our launch in 1958, we, as a lead consultant, have been helping clients with a wide range of tasks in the supply and value chain, from developing ideas into strategies to implementing complex industry projects.

At io-consultants, experienced specialists work in interdisciplinary teams. Together they create customized solutions and processes according to the specific requirements of each client. We call it: United to perform! The results are reliable, productive and efficient solutions that lead to measurable success.

With more than 280 employees, io-consultants is one of the leading technical consulting and planning companies at your service in eight locations across the world. Besides the headquarters in Heidelberg (Germany), the company has subsidiaries in Munich, Leonberg, Berlin, Bethlehem (PA, USA), Singapore, Dubai and Hong Kong.
